- 18.0 The State of Nevada established the Millennium Scholarship in order to increase the number of Nevada students who perform well in high school and then enroll in, and graduate from an *eligible institution* of higher education in Nevada.

An eligible institution is an institution at which a qualified student may receive a Millennium Scholarship. Eligible institutions are:

- a. a university, state college or community college of the University and Community College System of Nevada (UCCSN); or
- b. any other nonsectarian institution of higher education in Nevada that
 1. was originally established in, and is organized under the laws of the state, and
 2. is exempt from taxation pursuant to 26 U.S.C. §501(c)(3), and
 3. is accredited by a regional accrediting agency recognized by the United States Department of Education.

To receive a Millennium Scholarship, a student must meet the requirements of this Millennium Scholarship policy and enroll in an eligible institution. The admission requirements of eligible institutions may be different from the requirements for the Millennium Scholarship. The receipt of a Millennium Scholarship does not guarantee admission to all eligible institutions, nor does it guarantee admission to all programs at eligible institutions. The UCCSN recommends that students who plan to attend the University of Nevada, Las Vegas, or the University of Nevada, Reno, seek an advanced high school diploma and check with the institution for information on admission requirements.

In that case, the required course, with the approval of the student's institution, may be taken with Millennium Scholarship support at a different eligible institution.

18.10 The maximum amount of a Millennium Scholarship award each semester or summer term is determined on a dollars-per-credit enrolled basis as set by the State of Nevada⁴. - 18.18 Any refund that would normally be given to a student who has withdrawn from courses for which Millennium Scholarship support has been given shall be transferred to the State Treasurer's Office.
- 18.19 The Millennium Scholarship Office established by the State Treasurer is responsible for transferring funds in a timely fashion to eligible institutions for all Millennium Scholars, maintaining data on all Millennium Scholarship candidates and recipients, and verifying that students have not exceeded the \$10,000 lifetime maximum.
